Note: This is a revised scoresheet, updated Tuesday 5/12/09 at 12:30 Alaska Time. There was an error in the math for the scoring. This resulted in a change in overall placement. Ed Doyle actually placed 2nd and Greg Miller placed third. The Valdez Fly In & Air Show Committee apologizes for the error and we are contacting Ed and Greg to inform them of the change. The scoring was done by hand at the time of the event and the math error was not identified until today. We have gone back and double checked all other results and believe they are correct.
